

The Photography Group (Kevin Lucas)

Having had a break from outings over the Summer, the Photography Group hit the road again in September with a walk entitled "London Bridge Green Trail Spaces". This was a short walk starting and finishing at London Bridge Station. The walk highlighted hidden art, pocket parks, and riverside walks with plenty of history. Of course there were plenty of opportunities for a coffee stop!

Here is a selection of the photographs taken by the Group.

The next outing for the Group will be our annual nighttime shoot which is currently planned for 30th October and will take place around the Olympic Park. Further information will be circulated nearer the time.

To join the Photography Group, no special expertise or equipment is normally required and members with no interest in photography are welcome to join us purely for the outings. We have visited some very interesting locations in London.
