

## The Photography Group (Kevin Lucas)

For the March Photography Group outing a Group of twenty, the largest ever turnout for one of our jaunts, ventured into the Borough and Bermondsey parts of the London on what was a beautiful, if chilly, sunny day.

Many people only visit Borough for the market, but there is so much more. Those in the know head there for the hidden enclave of coffee houses, iconic buildings, and art galleries that dot the area between London and Tower Bridges.

Our next outing is planned for Thursday 30<sup>th</sup> April and will be a walk entitled “Royal Parks & Palaces”. This walk will take us through Hyde Park, Green Park and St James Park to Westminster.

To join the Photography Group, no special expertise or equipment is normally required, indeed, many of the group are now taking photographs using their Smartphones. Members with no interest in photography are welcome to join us purely for the outings. We have visited some very interesting locations in London.
