

## The Photography Group (*Kevin Lucas*)

The April outing for the Photography Group was a walk entitled "London Royal Parks & Palaces" which should have taken us through Hyde Park, Green Park and St James Park to Westminster. However the area around Buckingham Palace and St James's Park was very busy, and since it had been quite a long walk we called a halt at that point and several Group members went their own ways in search of refreshment!

We were very fortunate with the weather; there were clear blue skies and plenty of sunshine. Although the wind, particularly by The Serpentine, was rather chilly it was perfect for taking photographs.

Here is a selection taken by the Group.

Our next outing is planned for Thursday 30<sup>th</sup> April and will be a walk from Little Venice to Kings Cross along the Regents Canal.

To join the Photography Group, no special expertise or equipment is normally required, indeed, many of the group are now taking photographs using their Smartphones. Members with no interest in photography are welcome to join us purely for the outings. We have visited some very interesting locations in London.
